Monday Nov. 9. Lt. Hubach and myself went to R.R.P.D. and questioned Richard Eberling regarding Larcenies in Bay Village over the last six years. He stated that he was involved in numerous larcenies and gave us a list of the items that he could remember at the time. He also stated that most of the items had been brought to R.R.P.D. and some were at his home yet.

Tuesday Nov. 10. 1:00 P.M. Went to R.R.P.D. and took custody of Eberling and went to his home at 3961 Bradley Rd. Westlake and recovered more items that he said belonged to homes in Bay Village. Subject brought to B.V.P.D. and questioned about other Larcenies and a statement was taken. (Attached).

Wednesday Nov. 11. All items that Eberling stated belonged to Bay Village were brought to the station and tagged. All Jewelry and valuables locked in the safe. Subject questioned about his relations with Marilyn and Sam Sheppard and other facts concerning the Sheppard murder. After stating that he put his finger about four days prior to the murder and had dripped blood all over the downstairs of the Sheppard home he changed his statement, that he was all over the house with his finger dripping blood. He also said that he went to bed at 11:30 P.M. the night of the murder and changed his story and said that it was after 1:00 A.M. He said that he told two Cleve. Detectives this and also that Sam and Marilyn never kept the house locked. Lt. Hubach checked but could not find any record or statement that Eberling had been questioned or given this information to anyone. He agreed to take a Lie Detector test to clear himself so Lt. Hubach

Con't.

a statement. Gerber stated that he would arrange to have a Lie Detector test set
