Supplementary Offense Report, July 12, 1954, Bay Village Police Department

Howard Smith
Bay Village Police Department
920 A.M., July 12, 1953 - Went to Huntington Park and talked with cleaning crew that was out the week before and asked if they had found anything that would have been used as the murder weapon or had found any kind of "T" shirt. To their knowledge they said no, unless it was stuffed down into a waste basket and they didn't see it when it was dumped onto the track. These men also picked up a bag on the beach, but from about the center of the beach to the last end. The names of these men are: FRANK GODSEY, ROSCOE GODSEY, MONROE GODSEY, CECIL BROCK and ALBERT SIMMONS.

Fornia Silk and myself then went through the tower from the roof to the bottom, the building next to the tower, then the guard house on the beach. We then walked to the field next to 28625 Lake Rd. and looked over a path that comes up the hill and leads to the road.

This offense is declared: [Box to be checked] Unfounded, [Box to be checked] Exonerated by arrest, [Box to be checked] Exceptionally cleared, [Box to be checked] Inactive (not cleared)

This form is used by officer assigned to a case to report progress after three and seven days and weekly thereafter, also to report significant developments.
