HISTORY

In 1897 the Baldwin University Law School was organized, and in 1899 its name was changed to The Cleveland Law School, the law department of Baldwin-Wallace College. It was the first evening law school in Ohio and the first law school in Ohio to admit women.

In 1916 The John Marshall School of Law was established in Cleveland, and soon became an affiliate of Ohio Northern University. This affiliation continued until 1924.

In 1946 the two law schools were consolidated under the name of the Cleveland-Marshall Law School. The Cleveland-Marshall Law School is an independent, non-profit, educational institution, duly chartered by the State of Ohio as a degree-granting college of law.

ACCREDITATION

The Cleveland-Marshall Law School is fully approved by the American Bar Association, is a charter member of the League of Ohio Law Schools, and is approved and registered by the New York State Education Department.

Students who are graduated from the School with the first degree in law are eligible to apply to take the bar examinations of any jurisdiction of the United States. But all students, upon being admitted to the School, should immediately ascertain the requirements to qualify to take the bar examinations of any jurisdiction in which they may be interested because the bar examiners of some jurisdictions require registration or application with them at the time of or soon after entering law school.

OBJECTIVES OF THE SCHOOL

The purpose of the School primarily is to prepare qualified men and women for the active practice of law in any common-law jurisdiction, and also to provide legal training for qualified persons who may plan to enter public service or business. It seeks to further the inculcation of the spirit, the ideals and the ethical standards of the common legal heritage of English-speaking peoples. Only those persons who are qualified by prior training and who are seriously determined to complete the entire four-year course with creditable scholastic records are desired as students.

LOCATION

The Cleveland-Marshall Law School occupies commodious quarters in its own, extensively modernized building at 1240 Ontario Street, Cleveland, Ohio. The School is located near Public Square in the heart of the city and is readily accessible by automobile and public transportation. There are ample automobile parking facilities adjoining the School building, available at nominal fee to students. Within a few minutes walking distance of the School are one of the District Courts of the United States, the largest Appellate Court of Ohio, the Common Pleas Court of Cuyahoga County, the Probate Court of Cuyahoga County, the Juvenile Court of Cuyahoga County and the Cleveland Municipal Court, as well as federal, state and municipal administrative buildings. The School's building faces the new County Administration Building and is adjacent to the County Courthouse.

STUDENT BODY

The student body at Cleveland-Marshall is more mature and experienced than at most law schools. Almost all the students are employed, many in responsible positions. A typical entering class will contain engineers, school teachers, insurance and banking junior executives, newspapermen, physicians, research scientists, public officials and civil service people, and so on, as well as young college graduates. Almost every state, and many foreign countries are represented—a natural result of the cosmopolitan quality of Cleveland and the surrounding area and the nature of this law school.

Taking as a sample the Cleveland area, though many alumni live and practice all across the country, it is usual to find that about 30 out of the county's 40 or more judges are Cleveland-Marshall alumni, as are about a dozen members of the City Council, a dozen mayors of surrounding cities, very many executives in important positions, and so on. The alumni include past and present national figures such as senators, congressmen, distinguished judges, and of course very many important members of the Bar.

The students and alumni of this Law School are characterized, generally, by a mature, practical, and energetic approach to the law and to anything to which they turn their attention. They are, almost without exception, highly motivated to improve themselves, the law, and their communities.

The trustees, faculty, administration, alumni, and students of Cleveland-Marshall Law School are dedicated to the finest American tradition of earning self-improvement by merit and work, and to the American ideal of a system of law that is of, by, and for, the people.

LIBRARY

The library is open to enrolled students and to members, in good standing, of the alumni association. It contains 40,000 volumes, is steadily growing, and is kept up to date. The collection includes the complete reports of the State of Ohio, its session laws and codes, the complete National Reporter System, reports of the United States courts, English reports, the American Digest System, the Northeastern Digest, West's and Page's Ohio Digest, federal and state statutes, encyclopedias, annotated and subject reports, treatises, case and form books, law reviews and other legal periodicals, federal agency reports, and the Code of Federal Regulations.
While many materials are easily accessible on open shelves, textbooks, form books, unbound periodicals and advance sheets of reports are charged out from the Reserve Room. To obtain reserve room materials, the student activity, or alumni membership card must be deposited at the desk. Books, unless marked "Room copy," may be borrowed for one week.

METHOD OF INSTRUCTION

The case method of instruction, as developed by the majority of law schools in the United States, is the fundamental but not the exclusive method of instruction. Each method is designed not only to train the student in the science and art of solving complex legal and other problems, and to fix in the student's memory the great principles of law, but also to trace the reasoning behind the development of such principles, to stimulate provocative thinking, and to develop the power of legal analysis.

While particular trends and characteristics of Ohio law may be noted, the courses for the most part are designed to train students in the principles of common law and equity, and to furnish them with a background for the practice of law, not only in Ohio but also in any other common-law jurisdiction.

The full-time faculty is supplemented by judges and seasoned lawyers who have had extended teaching experience. Hence, the faculty brings to the student body not only the theory of the law but also its practice and everyday application.

RESEARCH TRAINING

Much of the work done by a law student is in the nature of legal research, of course. Specifically, training in legal research is given in courses such as Legal Bibliography, Legal Drafting, Legal Writing, and the Seminars. The graduate programs involve much research work.

In addition, students interested in research will find opportunities to assist various members of the faculty in specific research and writing projects. Students are selected by faculty members to serve as Research Assistants, and receive academic credit as for elective courses for such work.

For example, Research Assistants currently are engaged in research projects ranging from the selection and preparation and editing of original materials for legal periodicals used by practicing lawyers, to assistance with manuscripts of law books, and articles in various legal fields. Most recently, some thirty students and recent graduates, under the direction of faculty participants, conducted an original-materials study for a congressional committee.

Moot Appellate Court and Law Review are two major areas of research work available to qualified students.

The Law School Library offers good research sources. Diagonally across the street, in the County Courthouse, the Cuya-
Advanced Standing:

Students in good standing from law schools approved by the American Bar Association or the League of Ohio Law Schools may be admitted to advanced standing upon evidence that they have satisfactorily pursued a course of legal study equivalent to that required in this School for the period preceding the date when such students are admitted. At least one full academic residence year will be required in residence at Cleveland-Marshall Law School to entitle any such student to a degree.

The Graduate Division (Continuing Legal Education):

The Continuing Legal Education (Graduate) Division of the Cleveland-Marshall Law School offers courses which may be taken individually or as part of a program leading to the degree of Master of Laws (LL.M.). The degree of Doctor of Juridical Science (S.J.D.) is not being offered at present. A candidate for a graduate law degree must have earned the first degree in law, with creditable grades, from an approved law school, and be accepted by the Committee on Graduate Studies. (For details, see Requirements for Degrees.)

The LL.M. program at this Law School emphasizes, but is not confined to, courses in the fields of trial practice and advocacy. A wide range of courses of the nature of Continuing Legal Education is available. Qualified candidates for the LL.M. degree will be accepted in 1963-64; but no candidates for the S.J.D. degree will be accepted in 1963-64.

Special Students:

Certain courses, both in the undergraduate and graduate divisions of the School, are available on a non-degree basis for lawyers and other acceptable special students within the discretion of the Committee on Admissions. Any student who has not been registered as a law student with the Supreme Court of Ohio is classified as a special student. A special student who completes the full course will be entitled to a Certificate of Law Study. The number of special students admitted is limited to a few.

A special student is not a candidate for a degree, nor will he be admitted to the Ohio bar examination on the basis of studies completed while a special student.

REGISTRATION

Prescribed forms for use in applying for admission may be procured from the Registrar. Applications of candidates for the first professional degree in law must be accompanied by one copy of the undergraduate college transcript of record and one certificate of graduation. No application will be acted upon by the Committee on Admissions unless accompanied by the matriculation fee.

No beginning student will be permitted to register after the first two weeks in which classes are held.

Applications for admission to the Continuing Legal Education (Graduate) Division must be accompanied by a certificate of graduation and grade transcript from an approved law school.

REGISTRATION WITH THE SUPREME COURT OF OHIO

Candidates for the first professional degree in law who contemplate the practice of law in Ohio must, at the commencement of their legal studies, file with the Supreme Court of Ohio a formal declaration of their intention to begin the study of law, together with a fully executed questionnaire as required by the Court, a certified check, bank draft, or money order in the amount of $20.00, made payable to the order of John W. McMullen, Clerk, and fingerprint identification card as required by the Federal Bureau of Investigation. For the convenience of students, appropriate forms are available at the Registrar's office. Students are required to complete their registration with the Supreme Court of Ohio through the school office.

REQUIREMENTS FOR DEGREES

For the First Professional Degree in Law:

Beginning with the graduating class of June 1964, the first professional degree in law at this Law School will be the J.D. (Juris Doctor) for graduates who entered the School with a Bachelor's or higher degree, and the LL.B. (Bachelor of Law) for those who entered without a Bachelor's or higher degree. This policy was adopted in the light of (a) a recommendation to this effect by the Adviser to the Section of Legal Education of the American Bar Association (referring to votes by the A. B. A. Committee on Legal Education as early as 1906 and 1907 that for holders of prior Bachelor's degrees the J.D. should be the first professional degree in law); (b) the adoption of a similar policy by several law schools in this and other States; (c) the requirement in recent years of a Bachelor's degree before admission to law school for admission to the Ohio Bar under the Rules of the Supreme Court of Ohio; (d) the arduousness of approved law schools' requirements for graduation; (e) the anomaly of awarding merely another Bachelor's degree for successful completion of a post-Bachelor's professional course; (f) the self-downgrading implicit in awarding a Bachelor's degree for work that is recognized as entitled to a Doctor's degree in other professions; and (g) the fact that continuation of use of the LL.B. as the first professional degree in law in many law schools is attributed chiefly to mere custom that originated when a Bachelor's degree was not a prerequisite for admission to law school.

The course of study for the first professional degree in law is of four academic residence years duration.

For several years now, at this School, students must have been admitted on the basis of a bachelor's or higher degree.
from an accredited college, and all must satisfactorily complete
a minimum of 84 semester hours of good academic work and
168 credit points to be eligible for graduation.

All candidates for law degrees must have a weighted
grade average of at least 2 points (see below: "Attendance,
Examinations, Grades, etc.") and be recommended for gradu­
ation by the Faculty Committee on Scholarship.

For the degree of Master of Laws (LL.M.):
Candidates for the degree of Master of Laws must success­
fully complete:
A. 21 semester hours with better than average grades in
courses approved by the Committee on Graduate Studies; and
B. A legal essay in publishable form, based on original and
academic research, of the nature of a Law Review article, ap­
proved by such committee.

For the degree of Doctor of Juridical Science (S.J.D.):
(Note: While graduate students desiring to pursue courses in
the nature of Continuing Legal Education, or for the LL.M.
degree, will be accepted in 1963-64, no new candidates for
the S.J.D. degree will be accepted during this period.)

ATTENDANCE, EXAMINATIONS, GRADES
AND DISMISSAL

Classes meet according to the following schedule:
First and Second Year Classes: Tuesdays and Thursdays
—6:10 to 9:10 P.M.
Mondays or Fridays—6:10 to 9:10 P.M.
Third and Fourth Year Classes: Mondays, Wednesdays and Fridays
—6:10 to 9:10 P.M.
Graduate courses: Scheduled once or twice a week, either
6:10 to 9:10 P.M., or in many cases 4:00 to 6:00
P.M., or Saturday—10:00 A.M. to 12:00 M. Some
graduate courses are scheduled on week days
9 A.M. to 12 M.
Summer Seminars: Tuesdays and Thursdays
—6:00 to 9:00 P.M.

Students are required to attend classes with substantial
regularity. Attendance upon less than 80% of the total sessions
of any course may be deemed cause for withholding credit for
that course, except by special permission of the instructor in
charge.

Whether or not daily class recitations are to be credited
towards the final grade is left to the individual instructor. Stu­
dents who exhibit a tendency to be unprepared in class may be
summarily dropped from that class’s roll in the discretion of the
instructor.

The following system of grading is used: A, excellent; B,
good; C+, better than fair; C, fair; D, poor, but passing; F,
failure; I (Incomplete).

Credit points will be awarded to each student as follows:
For each hour of work in which the student receives a grade
of A, 4 points; for each hour of B, 3 points; for each hour of
C+, 2.5 points; for each hour of C, 2 points; for each hour of
D, 1 point; for each hour of F or Incomplete, no points.
A student’s weighted average is determined by dividing
the total number of credit points awarded to him by the number
of hours of work taken.
A four-year weighted average of 2 credit points is required
for graduation.

Any student who is admitted with a low legal aptitude ex­
amination percentile, receiving an F or D in a three-hours first­
year course, may, in the discretion of the Faculty Committee on
Scholarship, be separated from the School.

A student who secures a weighted average at the end of
any academic year of 1.5 credit points or less shall be separated
from the School. A student who secures a weighted average
below 2 credit points, but more than 1.5 credit points, shall be
on probation during the following year. A student who fails to
secure a cumulative weighted average of 2 credit points at the
end of the year he is on probation shall be separated from the
School.

Examinations customarily are given at the last session of the
particular course. A student who fails to appear for examination
will receive a grade of “F” unless he obtains permission from the
instructor to take a special examination ($20 fee) at another
time, usually within two weeks thereafter. Seminars and writing
courses are graded on term papers and classroom performance
in some cases.

The School reserves the power to change the published
curriculum, schedules, grading system, tuition, rules, and degree
requirements without notice.

RULES OF DISCIPLINE

The Law School expects of its students loyal cooperation in
the development and maintenance of the highest standards of
ethics and conduct as well as of scholarship. The School, there­
fore, reserves the power to compel the withdrawal of any student
whose conduct at any time is not deemed satisfactory. Entrance
by the student is deemed to be acknowledgment of this power.

The final List of Continuing Legal Education (Graduate) Courses to be offered in the 1963-64 academic year is published in the summer before the beginning of the academic year.

### SEMINARS

In recent years the Law School has regularly conducted several series of seminars, such as those for Municipal Court Judges, open without charge to all members of the legal profession. Other seminars, on the Uniform Commercial Code and on Recent Developments in Torts, Criminal Law, Engineering Law, etc., also are given as regularly scheduled courses.

Fourth-year students are required to elect one of the alternative seminars offered, in choosing their elective courses, unless they already have had a seminar.

**Summer Seminars:** In the summer of 1963 a group of five week, two sessions per week, seminars are planned on Special Problems in (1) Torts, and (2) Criminal Law, and also a reading and discussion seminar in (3) Legal History. These seminars are open as regularly scheduled courses, for credit, to students and graduates of this and other approved law schools.
