EVENING and DAY SESSIONS

Evening classes at this Law School are in session between 6:10 P.M. and 9:10 P.M., in the four-year program. Some elective subjects are offered in late afternoon hours or on Saturday mornings. (See below, ATTENDANCE, etc.).

A Day Session, in a three-year full-time program, is scheduled for opening for first-year classes in 1967 or 1968. Inquiries and applications for admission to the Day Session should be addressed to the Dean.

HISTORY

In 1845 Baldwin-Wallace College was founded, its name being Baldwin University until changed in 1913.

In 1897 the Baldwin University Law School was organized, and in 1899 its name was changed to the Cleveland Law School. It continued under this name, as the law department of Baldwin-Wallace College, and then independently for a time. It was the first evening law school in Ohio and the first law school in Ohio to admit women.

In 1916 the John Marshall School of Law was established in Cleveland. It was an affiliate of Ohio Northern University for some years, and then became independent for a time.

In 1946 the two law schools were consolidated under the name of the Cleveland-Marshall Law School, an independent, nonsectarian, nonprofit educational institution, duly chartered by the State of Ohio as a degree granting college of law.

In 1963 the Cleveland-Marshall Law School re-affiliated with Baldwin-Wallace College, under the name of the Cleveland-Marshall Law School of Baldwin-Wallace College.

The Law School retains its own Board of Trustees, with autonomous control of its endowment and internal administration, but otherwise is an integral part of Baldwin-Wallace in the pattern of a university composed of various colleges and departments.

The Law School continues its tradition of welcome to all qualified persons of good character, of all races, religions, and nationalities.

ACCREDITATION

The Law School is fully approved by the American Bar Association, is a charter member of the League of Ohio Law Schools (the accrediting arm of the Supreme Court of Ohio), and is approved and registered by the New York State Education Department. It also is registered with the U. S. Department of Justice Immigration Service for acceptance of students from foreign countries.

Students who are graduated from the School with the first degree in law are eligible to apply to take the bar examinations of any jurisdiction of the United States. But all students, upon being admitted to the School, should *immediately ascertain the requirements to qualify to take the bar examinations* of any jurisdiction in which they may be interested, because the bar examiners or courts of some jurisdictions require registration or application with them at the time of or soon after entering law school. The rules governing admission to the bar in the various states are summarized in a pamphlet published annually by the West Publishing Company, St. Paul, Minnesota, available at the Law School Library and many other law libraries.

OBJECTIVES OF THE SCHOOL

The purpose of the School primarily is to prepare qualified men and women for the active practice of law in any common-law jurisdiction, and also to provide legal training for qualified persons who may plan to enter public service or business. It seeks to further the inculcation of the spirit, the ideals and the ethical standards of the common legal heritage of English-speaking peoples. Only those persons who are qualified by prior training and who are seriously determined to complete the entire course with creditable scholastic records are desired as students. The essence of good legal training is the development of the ability to analyze problems, to discern and assimilate relevant facts, and to make policy decisions. These skills will prove of great value to the student whether he actually engages in the practice of law or not. Sheer content knowledge of law is part of, and a precondition of, such skills.

LOCATION

The Law School occupies commodious quarters in its own, four story, extensively modernized, air conditioned building at 1240 Ontario Street, Cleveland, Ohio. The School is located near Public Square in the heart of the city and is readily accessible by automobile and public transportation. There are ample automobile parking facilities adjoining the School building, available at nominal fee to students. Within a few minutes walking distance of the School are one of the District Courts of the United States, the largest Appellate Court of Ohio, the Common Pleas Court of Cuyahoga County, the Probate Court of Cuyahoga County, the Juvenile Court of Cuyahoga County and the Cleveland Municipal Court, as well as federal, state and municipal administrative buildings. The School's building faces the new County Administration Building and is adjacent to the County Courthouse.

The Baldwin-Wallace College campus of 204 acres and over 30 buildings is located in Berea, Ohio, a suburb of Cleveland, within 30 minute commuting distance.

STUDENT BODY

The student body at this Law School is more mature and experienced than at most law schools. Almost all the students are employed, many in responsible positions. A typical entering class will contain engineers, school teachers, insurance and banking junior executives, journalists, physicians, research scientists, public officials and civil service people, and so on, as well as young college graduates. Almost every state, and many foreign countries, are represented—a natural result of the cosmopolitan quality of Cleveland and the surrounding area and the nature of this Law School.

Taking as a sample the Cleveland area, though many alumni live and practice all across the country, it is usual to find that about 30 out of the county's 40 or more judges are Cleveland-Marshall alumni, as are about a dozen members of the City Council, a dozen mayors of surrounding cities, very many executives in important positions, and so on. The alumni include past and present national figures such as senators, congressmen, governors, distinguished judges, and of course very many important members of the Bar.

The students and alumni of this Law School are characterized, generally, by a mature, cosmopolitan, practical, and energetic approach to the law and to anything to which they turn their attention. They are, almost without exception, highly motivated to improve themselves, the law, and their communities.

The trustees, faculty, administration, alumni, and students of the Law School are dedicated to the finest American tradition of earning self-improvement by merit and work, and to the American ideal of a system of law that is of, by, and for, the people.

LIBRARY

The law library serves students, faculty, and members in good standing of the alumni association. It is open weekdays from 9:00 A.M. to 11:00 P.M.; Saturdays from 9:00 A.M. to 5:00 P.M.; Sundays from 12:00 noon to 5:00 P.M. It contains over 53,000 volumes, is steadily growing and kept up to date. The collection includes the complete reports of all Ohio courts, the reports of all other States up to the National Reporter System, the complete National Reporter System, all federal court reports, the American Digest System, Northeastern, West's and Page's Ohio Digests, session laws and codes of Ohio, federal statutes and the statutes of all other states, annotated and subject reports, encyclopedias, dictionaries, text books, case books, form books and manuals. It carries more than 270 titles of law reviews and other periodicals, the reports of federal and Ohio administrative agencies, of the U. S. and Ohio Attorneys General, the Federal Register and Code of Federal Regulations.

English reports and statutes and also a variety of other foreign publications are received. Subjects which are allied to the law—such as medical jurisprudence, accounting, economics, et cetera, are well represented.

While many books are easily accessible on open shelves, text and form books, unbound periodicals and advance sheets will be charged out, against the deposit of the student's or alumni card, from the Reserve Room. Photostating facilities are provided. A microfilm and record collection also are provided.

RESIDENCE FACILITIES

While most of the Law School's students have, or make, their own residence arrangements in the Cleveland area, the College has on its campus five residence halls for men and six for women, as well as fraternity houses and other facilities. Inquiries as to residence facilities should be addressed to the College at the Berea campus. Commuting time to the Law School, from there, is about 30 minutes.

METHOD OF INSTRUCTION

The Case Method of instruction, as developed by the majority of law schools in the United States, is the fundamental but not the exclusive method of instruction. Some faculty members use such variations as the Adversary Method, Socratic Dialogue, the Problem Method, and others. Each method is designed not only to train the student in the science and art of solving complex legal and other problems, and to fix in the student's memory the great principles of law, but also to trace the reasoning behind the development of such principles, to stimulate provocative thinking, and to develop the power of legal analysis.

While particular trends and characteristics of Ohio law may be noted, the courses for the most part are designed to train students in the principles of common law and equity, and to furnish them with a background for the practice of law, not only in Ohio but in any common-law jurisdiction. Experience has demonstrated that the best legal training is not gained from study devoted primarily to the law of any single state. Such specific training in law school is not required to enable the student to qualify for admission to the bars of the various states, and a broad training in the methods and spirit of law, supplemented by guidance in the examination of local peculiarities, produces a more effective and higher type of lawyer than can be produced by instruction of narrower scope.

The full-time faculty is supplemented by judges and seasoned lawyers who have had extended teaching experience. Hence, the faculty brings to the student body not only the theory of the law but also its practice and everyday application.

SERVICES TO THE PROFESSION

The Law School has a strong sense of responsibility to the members of the bench and bar and to the public in general. The activities which it undertakes in discharging this responsibility are described in some law schools by characterizing the institution as a "law center."

Special programs, conferences, and lectures are regularly arranged for the purpose of keeping attorneys and others acquainted with significant legal developments and of providing specialized expert discussion and information in particular fields. The *Law Review* and other research activities seek to attain the same end.

For example, the School's Moot Court room often is used for actual sessions of the Probate Court, the Board of Tax Appeals, the Supreme Court of Ohio, bar association hearings, etcetera, while conference and classrooms are utilized for various conferences of public authorities and organizations; all of which offer to students a veritable laboratory of legal work that is eminently real. Public and professional services of other types are too diverse for individual listing.

RESEARCH TRAINING

Much of the work done by a law student is in the nature of legal research, of course. Specifically, training in legal research is given in courses such as Legal Bibliography, Legal Writing, Moot Court, and the Seminars. The Continuing Legal Education and graduate programs involve much research work.

In addition, students interested in research will find opportunities to assist various members of the faculty in specific research and writing projects. Students are selected by faculty members to serve as *Research Assistants*, and receive academic credit as for elective courses for such work.

For example, Research Assistants currently are engaged in research projects ranging from the selection and preparation and editing of original materials for legal periodicals used by practicing lawyers, to assistance with manuscripts of law books, and articles in various legal fields. Recently, some thirty students and recent graduates, under the direction of faculty participants, conducted an originalmaterials study for a congressional committee. In 1965, faculty members of both the Law School and the Sociology Department of Baldwin-Wallace College participated in planning the Cleveland Bail Bond Project for the release of indigent prisoners on recognizance pending trial. Groups of law and undergraduate students volunteered to serve as interviewers, for very nominal payment, in this project.

Moot Court and Law Review are two major areas of research work available to qualified students.

The Law School Library offers good research sources. Diagonally across the street, in the County Courthouse, the Cuyahoga Law Library has one of the largest and finest collections in the nation. The Cleveland Public Library, some three city blocks away, is one of the three or four greatest general libraries in the country. The various libraries on the College campus, the largest of which is the fine new Ritter Library, are open to students of the Law School.

REQUIREMENTS FOR ADMISSION

The School is open to men and women of good moral character. *Regular Students:*

Applicants for admission as regular students must have been awarded a bachelor's or higher degree from a college approved by the Supreme Court of Ohio or by one of the regional accrediting associations. Foreign credentials will be evaluated by the Supreme Court. In all instances the applicant must have earned better than the minimum "C" average required for graduation.

Applications must include a transcript of college record, certificate of graduation, and matriculation fee.

L.S.A.T.

All applicants for admission must take the *Law School Admission Test*, an aptitude test administered by the Educational Testing Service, 20 Nassau Street, Box 944, Princeton, N. J., 08540. This test will be given at the School and elsewhere on August 6, 1966, in the morning. On February 12, April 9, and probably in November, of 1966 it will be given at other sites, addresses of which may be obtained from the Educational Testing Service. Registration for the examination should be completed as early as possible. Bulletins of Information and applicational Testing Service.

In special situations, an otherwise qualified applicant who for good cause has not taken the Law School Admission Test may be admitted conditionally. Such applicant shall petition the Faculty Committee on Admission, stating completely the reasons for such omission, and asking for conditional admission. If this petition is granted, the student will be required to take the Law School Admission Test at the first opportunity; failure to do so will result in termination of the conditional admission, and the student will be dismissed.

Personal interviews with the Dean, Associate Dean, or Registrar are most helpful and desirable, and are urged except where circumstances make them difficult to arrange. Address inquiries as to personal interviews to the Registrar.

While the pre-law subjects are not confined to any prescribed list, not more than ten per cent of the undergraduate credits shall be in non-theory courses in military science, hygiene, domestic or industrial arts, physical education, music, or courses without intellectual content of substantial value. The applicant should have had intensive study in English literature and the English language, developing competence to read and write with an extensive vocabulary; also thorough studies in economics, history, philosophy, political science, psychology and semantics. Knowledge of the natural sciences, of accounting, and elements of business operations also will be helpful.

In passing on an application for admission, the Faculty Committee on Admissions will weigh individually each applicant's college record and the indications of probability of success or failure in the highly competitive law school course and legal profession. Consideration will be given to the college record, the completed application form, personal qualifications, the legal aptitude test, recommendations, and all other available facts.

Advanced Standing:

Students in good standing from law schools approved by the American Bar Association or the League of Ohio Law Schools may be admitted to advanced standing upon evidence that they have satisfactorily pursued a course of prelegal and legal study equivalent to that required in this School for the period preceding the date when such students are admitted. At least one full academic residence year will be required in residence at this Law School to entitle any such student to a degree.

A student desiring admission to advanced standing shall (1) obtain from his former law school a statement (or record) setting forth the fact that he is eligible for further instruction; (2) submit evidence of meeting the admission requirements of this Law School; (3) present an official transcript of all work completed at his previous law school. Credit to be given for the prior law school work shall be that determined by the Dean.

The Graduate Division (Continuing Legal Education):

The Continuing Legal Education (Graduate) Division of the Law School offers courses which may be taken individually or as part of a program leading to the degree of Master of Laws (LL.M.). The degree of Doctor of Juridical Science (S.J.D.) is not being offered at present. A candidate for a graduate law degree must have earned the first degree in law, with creditable grades, from an approved law school, and be accepted by the Committee on Graduate Studies. (For details, see Requirements for Degrees.)

The LL.M. program at this Law School emphasizes, but is not confined to, courses in the fields of trial practice and advocacy. A wide range of courses of the nature of Continuing Legal Education is available. Qualified candidates for the LL.M. degree will be accepted in 1965-66, but no candidates for the S.J.D. degree will be accepted.

Special Students:

Certain courses are available to a limited number of individuals who do not meet the requirements for admission as Regular Students but who have need of particular courses for vocational purposes. Special students are not candidates for degrees and are limited to a maximum of 42 credits. They are subject to the same rules of attendance, examinations, grades and dismissal as Regular Students except that probationary status is not available to Special Students and failure to maintain a 2.0 average will result in dismissal from the Law School.

Under no circumstances will a student who was dismissed from this or any other Law School be permitted to enroll as a Special Student, nor will a student who has the qualifications of a Regular Student be admitted as a Special Student.

A special student is not a candidate for a degree, nor will be admitted to the Ohio bar examination on the basis of studies completed while a special student.

Auditors:

An auditor is a student who, with the permission of the Dean, is enrolled for a course without credit. The auditor is required to do all the work prescribed for the regular student enrolled for credit except that he may be excused from the final examination. The fee for the auditor is the same as for a regular student.

APPLICATION AND REGISTRATION

Prescribed forms for use in applying for admission may be procured from the Registrar. Applications of candidates for the first professional degree in law must be accompanied by one copy of the undergraduate college transcript of record and one certificate of graduation. No application will be acted upon by the Committee on Admissions unless accompanied by the Matriculation Fee.

Registration and Program Scheduling must be completed at the Administration Office of the Law School on August 25, 26, 29, 30, or 31, between 10 a.m. and 6:30 p.m. Late registrants must pay a penalty fee of \$5 for each additional day of lateness.

Entering students usually start their studies at the beginning of the Fall Trimester in September, but may start with the beginning of the Winter or Spring Trimester with the permission of the Dean.

No beginning student ordinarily will be permitted to register after the first two weeks in which classes are held in any Trimester. Students admitted with advanced standing may be permitted to register at other times during the academic year, with the permission of the Dean.

Applications for admission to the Continuing Legal Education (Graduate) Division must be accompanied by a certificate of graduation and grade transcript from an approved law school.

REGISTRATION WITH THE SUPREME COURT OF OHIO

Candidates for the first professional degree in law who contemplate the practice of law in Ohio must, at the commencement of their legal studies, file with the Supreme Court of Ohio a formal declaration of their intention to begin the study of law, together with a fully executed questionnaire as required by the Court, a certified check, bank draft, or money order in the amount of \$20.00, made payable to the order of the Clerk of the Supreme Court, and fingerprint identification card as required by the Federal Bureau of Investigation. For the convenience of students, appropriate forms are available at the Registrar's office. Students are required to complete their registration with the Supreme Court of Ohio through the Law School office.

As a condition for taking the Ohio bar examination, the applicant must file an application not less than 90 days prior to the date of the bar examination, a certificate of the Law School that the student has completed or will complete all courses required by the Rule, and a filing fee of \$40.00. The Rule requires that a student be tested in the following courses: Business Associations (including Agency, Partnerships and Corporations), Constitutional Law, Contracts, Criminal Law, Equity, Trusts, Evidence, Negotiable Instruments, Pleading and Practice, Torts, and Wills. Also, the student must be certified as having had instruction in Legal Ethics.

The appropriate forms may be obtained from the Law School on request. It is the responsibility of the student to initiate the request for, to execute properly, and to file timely, the requisite forms.

REQUIREMENTS FOR DEGREES

For the First Professional Degree in Law:

The first professional degree in law at this Law School is the J.D. (Juris Doctor) for graduates who entered the School with a Bachelor's or higher degree, and the LL.B. (Bachelor of Laws) for those who entered without a Bachelor's or higher degree.

The course of study for the first professional degree in law in evening classes is of four academic residence years duration, and three years in the day session. No credits earned more than eight years prior to graduation may be counted for the degree in the evening session, and six years prior in the day session. (See, The Law Curriculum, below, at Description of Courses.)

Students must have been admitted on the basis of a Bachelor's or higher degree from an accredited college, and must satisfactorily complete a minimum of 84 semester hours of acceptable academic work and 168 credit points to be eligible for graduation. It is the responsibility of the student to be certain of taking enough elective credits, in addition to required courses, to make up the 84 semester hours.

By following the regularly scheduled program and successfully completing it (i.e., four years of regular evening schedules) a student will have met the academic requirements for admission to the Ohio bar examination. Students who pursue an irregular program, and those who are preparing for the bar of other states, are individually responsible for making sure that their work meets the requirements of the states where they intend to apply for admission to the bar.

All candidates for law degrees must have a weighted grade average of at least 2 points (see below: "Attendance, Examinations, Grades, etc.") and be recommended for graduation by the Faculty Committee on Scholarship.

For the degree of Master of Laws (LL.M.):

Candidates for the degree of Master of Laws must successfully complete:

A. 21 semester hours with better than average grades in courses approved by the Committee on Graduate Studies; and

B. A legal essay in publishable form, based on original and academic research, of the nature of a Law Review leading article, approved by such committee.

This record must reflect a substantial degree of scholarship and research.

No credits earned more than four years prior to graduation may be counted for this degree.

For the degree of Doctor of Juridical Science (S.J.D.):

(Note: While graduate students desiring to pursue courses in the nature of Continuing Legal Education, or for the LL.M. degree, will be accepted in 1966-7, no new candidates for the S.J.D. degree will be accepted during this period.)

SEMESTER SYSTEM

A modified semester (Trimester) system, consisting of a 15 week Fall Semester, a 15 week Winter Semester, and an 8 week Spring Semester, is followed at this Law School, with occasional deviations from this system.

ATTENDANCE, EXAMINATIONS, GRADES AND DISMISSAL

Evening classes ordinarily meet according to the following schedule (all 6:10 to 9:10 P.M.):

| First Year Classes: | Either Mondays, Tuesdays and Thursdays; or Mondays, Wednesdays and Thursdays; or Tuesdays, Thursdays and Fridays. |
|----------------------|--|
| Second Year Classes: | Tuesdays and Thursdays, and either Mondays or Fridays; or Mondays, Wednesdays and Thursdays. |
| Third Year Classes: | Wednesdays and Fridays, and either Mondays or Tues- days. |
| Fourth Year Classes: | Mondays, Wednesdays and Fridays. |
| Graduate courses: | Scheduled once or twice a week, either 6:10 to 9:10 P.M., or in some cases 4:00 to 6:00 P.M., or Saturday-10:00 A.M. to 12:00 M. |
| Summer Seminars: | Tuesdays and Thursdays —6:00 to 9:00 P.M. |

As to the Day Session, see above, at the heading of EVENING and DAY SES-SIONS. Day classes meet on weekday mornings and afternoons.

Students are required to attend classes with substantial regularity. Attendance upon less than 80% of the total sessions of any course may be deemed cause for withholding credit for that course, except by special permission of the instructor in charge.

Whether or not daily class recitations are to be credited towards the final grade is left to the individual instructor. Students who exhibit a tendency to be unprepared in class may be summarily dropped from that class's roll in the discretion of the instructor.

The following system of grading is used: A, excellent; B+, very good; B, good; C+, better than fair; C, fair; D poor, but passing; F, failure; I (Incomplete).

Credit points will be awarded to each student as follows: For each hour of work in which the student receives a grade of A, 4 points; for each hour of B_+ , 3.5 points; for each hour of B, 3 points; for each hour of C+, 2.5 points; for each hour of C, 2 points; for each hour of D, 1 point; for each hour of F or Incomplete, no points.

A student's weighted average is determined by dividing the total number of credit points awarded to him by the total number of hours of work attempted, including repeat hours.

A total weighted average of 2 credit points is required for graduation.

Any student who is admitted with a low legal aptitude examination percentile, receiving an F or D in any first-year course, may in the discretion of the Faculty Committee on Scholarship, be separated from the School.

Any student whose cumulative weighted average at the end of any academic trimester is less than 2 credit points, beginning with the end of the first academic year, shall be separated from the School. Any student whose cumulative weighted average is at least 1.8 credit points but less than 2 credit points may petition the Faculty Committee on Scholarship for readmission; if, in the discretion of the Committee the student is readmitted, he shall be on probation. Any petition for readmission from any student whose cumulative weighted average is less than 1.8 credit points must be presented to the entire Faculty; while such student will rarely be readmitted, upon a showing of sufficient cause he may be readmitted on probation. A student who has been readmitted on probation must raise his cumulative weighted average to 2 credit points (or better) by the end of the first academic year after such readmission, and must maintain a cumulative weighted average of 2 credit points (or better) at all times thereafter; failure to do so will result in termination of probation and separation from the School.

In Torts I and Contracts I final examination grades become permanent record only if Torts II and Contracts II are not completed; if they are completed the grade received at the end of the second semester is the grade for the entire course for each of these subjects.

Examinations customarily are given at the end of the trimester. Examination numbers must be picked up at the Office the week before the examination period. Failure to pick up the student's examination number in due time will be penalized by a fee of \$2 for lateness in coming in for the card. A student who fails to appear for examination will receive a grade of "F" unless he obtains permission from the instructor and the Dean (upon a showing of good cause), to take a special examination (\$20 fee) at another time, usually within two weeks thereafter. If such special examination is not promptly taken and passed the student must take the next scheduled examination in the particular course, and failure to do so shall make permanent the grade of "F" for that course. Repeated failures to appear for scheduled examinations will result in dismissal from the school. Seminars and writing courses are graded on term papers and classroom performance in some cases.

RIGHTS RESERVED

The right is reserved to change or modify the requirements for admission or graduation; to change the arrangement or content of courses, the grading system, the books used, the tuition and other fees; to alter any rule or regulation; to refuse admission or readmission to any student at any time, or to dismiss any student at any time, should it be deemed in the interest of the School or the student to do so, without notice.

RULES OF DISCIPLINE

The Law School expects of its students loyal cooperation in the development and maintenance of the highest standards of ethics and conduct as well as of scholarship. The School, therefore, reserves the power to compel the withdrawal of any student whose conduct at any time is not deemed satisfactory. Entrance by the student is deemed to be acknowledgment of this power. A student who is enrolled in the program leading to the Juris Doctor degree may not take work in any other school, college or course of instruction, unless he first obtains the written consent of the Dean. No student may attend a course designed as a review for the bar examination until he has completed all course requirements for the Juris Doctor degree.

All students are required to inform themselves regularly of the notices and bulletins posted on the main (ground floor) bulletin board in the Law School building. Failure to read the bulletin board will not excuse failure to know and comply with notices posted thereon. All students are assumed to know the contents of this annual printed Bulletin of the Law School.

STUDENT ORGANIZATIONS AND ACTIVITIES

Law Review Board: The Law Review Board is composed of students of superior academic standing. The Board publishes the Cleveland-Marshall Law Review, three times each year, which has been recognized as a scholarly contribution to legal literature and which has an international circulation. The Law Review is a Member of the National Conference of Law Reviews.

The honor of final selection for election to membership depends on demonstrated capacity for legal research. Law-review work provides an excellent vehicle for the development of competence in research and investigation, in legal analysis and critical judgment, and in clear and concise writing: it affords the opportunity, almost unique in academic training, of engaging in research which may prove of direct and immediate value to those actively engaged in a profession. The capacities acquired through law-review training not only serve the student in good stead throughout his career but also provide effective assistance in obtaining an initial location.

Moot Court Board: Moot Court Board is composed of selected competition team member students, in their final year, who have distinguished themselves in their participation in Moot Appellate Court and, in the judgment of the Faculty Advisor, have demonstrated ability in legal research as well as oral argument and have maintained overall scholastic excellence.

Student Bar Association: All students in attendance at the Law School are members of the Student Bar Association, which is an affiliate of the American Law Student Association of the American Bar Association. The Association is administered by the Student Congress, members of which are elected annually by the students. Its objectives are:

To promote the interests of the Law School and its students; to cultivate social acquaintance and cooperation among the students, faculty and alumni; to encourage high scholastic achievement within the student body; to coordinate the activities of the Law School community; to secure the association and good will of the members of the Bar: and to foster among the student body the high standards of integrity and honor of the legal profession.

Student Directory: Each year the Student Congress publishes an annual directory setting forth the names, home and business addresses, and telephone numbers, of all students. Free distribution is made to students, faculty and staff.

Student Open House: Each fall the student body, as its principal social event of the year, conducts an Open House, or Ball, for the introduction of new students (and their wives or escorts) to the rest of the students. This event is conducted at the law school or at a city hotel ballroom. Other informal and formal social events are sponsored by various private student groups.

The Gavel: This is a newspaper published by the students, containing news of the School and of members of the School community. It has achieved recognition as being of prize-winning quality in the national competitions annually conducted by the American Law Student Association.

Fraternities and Sororities: The following professional legal fraternities and sororities are represented by chapters which are active at the School: Meck Chapter of Phi Alpha Delta national fraternity; Kappa Beta Pi, International Legal; Phi Delta Delta; and Ranney Senate of Delta Theta Phi national fraternity.

Law Wives Club: The wives of students at the School have formed a social club that carries on a program of social and legal-cultural activities both at the Law School and at other sites in the community. Wives of all students are invited to join.

Cricket Club: During the season, students meet weekly for informal matches of the British sport of cricket. All are invited to participate.

College Campus Organizations and Activities: (See below).

PLACEMENT OFFICE

Some students have definite positions in practice assured them upon graduation. Others are able to discover openings through their own efforts, but most need assistance. While the Law School makes no pretense of guaranteeing any of its graduates a position, it does endeavor to counsel and assist them in this matter. This assistance is provided by a Placement Office.

The placement program has been successful in placing both men and women in private practice, industry, and public service. The loyal and effective cooperation of individual law alumni has contributed in an important way toward the achievement of this record.

Arrangements can be made through the Placement Office of the School for consideration for employment in various law offices and other employment, when positions are available. Through this Placement Office arrangements may be made for listings or for interviews for available situations. The Placement Director's office maintains lists of openings available and applicants for positions. Interested students and alumni are invited to register.

ALUMNI ASSOCIATION

Graduates of the Law School have formed an alumni association which takes an active part in the academic and social activities of the School. It publishes the *Alumni News*, a periodical distributed free to all alumni.

An Open House is held in June of each year, shortly before Commencement. All alumni receive notice in advance of this activity. An *Alumni Luncheon*, featuring a distinguished speaker, and honoring some distinguished alumnus or alumni, is held annually in Cleveland.

The Alumni Secretary's office at the law school is available for information and assistance to alumni, including an *employment and placement* service, and an *alumni directory* in card file form that is kept as nearly current as is possible.

Law School alumni affairs are coordinated with affairs of the general alumni organization of Baldwin-Wallace College.

COLLEGE CAMPUS ACTIVITIES

As members of the student body of Baldwin-Wallace College, students at the Law School are entitled to, and welcome to, participate in the active College cultural, sports, and other programs, and to utilize campus facilities. Undergraduates, of course, are also welcome at the Law School for appropriate purposes.

Student activities such as the Lecturers and Artist Series, the celebrated annual Bach Festival, Summer Theatre, student publications, intercollegiate sports, and many other activities are available to students registered in the Law School.
