This Web Page is brought to you for free and open access by the Library at EngagedScholarship@CSU. It has been accepted for inclusion in Law Library Research Guides - Archived by an authorized administrator of EngagedScholarship@CSU. For more information, please contact library.es@csuohio.edu.
Athenian Law concepts underlie a wide assortment of legal issues, such as citizenship; sovereignty; constitutional law; legislative, executive, and judicial authority; jurisdiction; court and trial procedure, including trial-by-jury; criminal law; property law; and commercial law.

Researching Athenian Law can help one to better analyze and critique the foundation and development of current law as well as approaches to resolving current cultural, social, economic, and political issues.

Where To Get The Classics

Electronic versions of many classical materials are available from these digital collections:

- Perseus Collection Greek and Roman Materials
  "Primary and secondary sources for the study of ancient Greece and Rome." Can browse by author or search the collection. Part of the Tufts University Department of Classics Perseus Digital Library.

- Online Library of Liberty
  A collection of over 1,700 items provided by the Liberty Fund, Inc. Can browse by Group (ie, Subject) and People (ie, Author). Can search by Author/Title as well as within the full text of works via the Advanced Search. See its Copyright and Fair Use information for details on reprinting or copying the works.

- Project Gutenberg
  A collection of "over 57,000 free ebooks" founded by Michael Hart. Can Browse by Author, Title, Language or Recently Posted as well as Category. Can Search by keywords. See "Help" at Search page for information on using search suffixes, prefixes, and boolean operators.

- Google Books
  At bottom left, click "Help," then, under "Read books & magazines," click Advanced Search. The Advanced Book Search template allows one to search for books available in "Full View" (which allows one to view any page from the book). Many "Full View" books can also be downloaded.

American School of Classical Studies at Athens
See its Digital Resources page for links to Athenian Agora Excavations materials (which include Site Guides/Books and Digital Images of law court furnishings and other artifacts), as well as its AMBROSIA Union Catalog.

[Photo to left is of Athenian jurors’ identification tickets - artifacts from the Athens Athenian Agora Excavations.]

• Athenian Agora Excavations
  Beta/experimental site from the American School of Classical Studies at Athens.
  Provides an interactive tour of the Agora and Hellenistic Stoa of Attalos museum which houses public documents, jurors’ identification tickets and thousands of other artifacts excavated from the site.

• Association of Ancient Historians
  “The largest organization in North America that is devoted exclusively to promoting teaching and scholarship in ancient history.” See its Publications - Newsletters and Monographs pages.

  Center for Hellenic Studies
  Founded by Harvard University in 1960, made possible by a grant of the Old Dominion Foundation (now known as the Mellon Foundation). Located in Washington, DC. See its Publications pages, such as Digital Humanities Projects.

  Centre for the Study of Ancient Documents
  Part of the Oxford University Ioannou Centre for Classical and Byzantine Studies. In particular, see its Imaging Projects page, which includes Images of Inscriptions organized by region (eg, Athens and Attica), and the Laconia Survey Inscriptions. [The Laconia Survey recorded inscriptions from "a 70 sq. km. area across the Eurotas river to the east of the ancient site of Sparta.”]

• NOMOI: Bibliography on Ancient Greek Law

• Society for Classical Studies

• The Stoa
  Initial page is its blog. In particular, see its Stoa Highlights section, which includes the Ancient City of Athens, "a photographic archive of the archaeological and architectural remains of ancient Athens" and Demos, "digital encyclopedia of classical Athenian democracy" edited by Christopher W. Blackwell. Site originally created by Ross Scaife.

Databases

In addition to researching legal databases, to fully understand and appreciate concepts of Athenian Law, you will likely need to conduct interdisciplinary research in philosophy and history.

The CSU Michael Schwartz Library provides Research Guides covering Philosophy and History.

  • CSU Michael Schwartz Library - Research Databases By Subject
    Select "Humanities," “Philosophy,” and/or "History" for access to over 30 databases, such as Arts & Humanities Citation Index; Humanities International Complete (full-text); Philosopher's Index; and Historical Abstracts.

CSU OneSearch (beta)

OneSearch is CSU's beta federated search system, and is accessible from the Law Library home page (see box at upper right). It allows you to search multiple catalogs and databases at the same time, retrieving books, ebooks, audiovisual materials, articles, music scores, and more. Once connected, click Help at the top right for information on constructing searches and managing search results.
