We The People

Oratory: Daniel Webster Presidential Campaign Broadside

Union
And
Liberty

Friends and Compatriots:

Our great nation has fallen into a tumultuous time, where our most core principle of liberty has been under great scrutiny and vociferous debate. In our zeal to do what is right, many of us have been stricken by factitiousness and intolerance towards our fellow man's views.

*I CALL FOR UNITY UNDER
THE CONSTITUTION*

In so doing, we will begin to bridge the chasm that has formed between us. By respecting each other's property, we open up channels for communication. If we treat all men as human beings, all men will reap bounties. Let us break free from radicalism and come together as one nation, under one banner, striving for one God.
