Introduction to Open Access

CSU's Institutional Repository,
EngagedScholarship

Questions?

What is open access?

Open Access literature

Is digital, online, free of charge, and free of most copyright and licensing limitations.

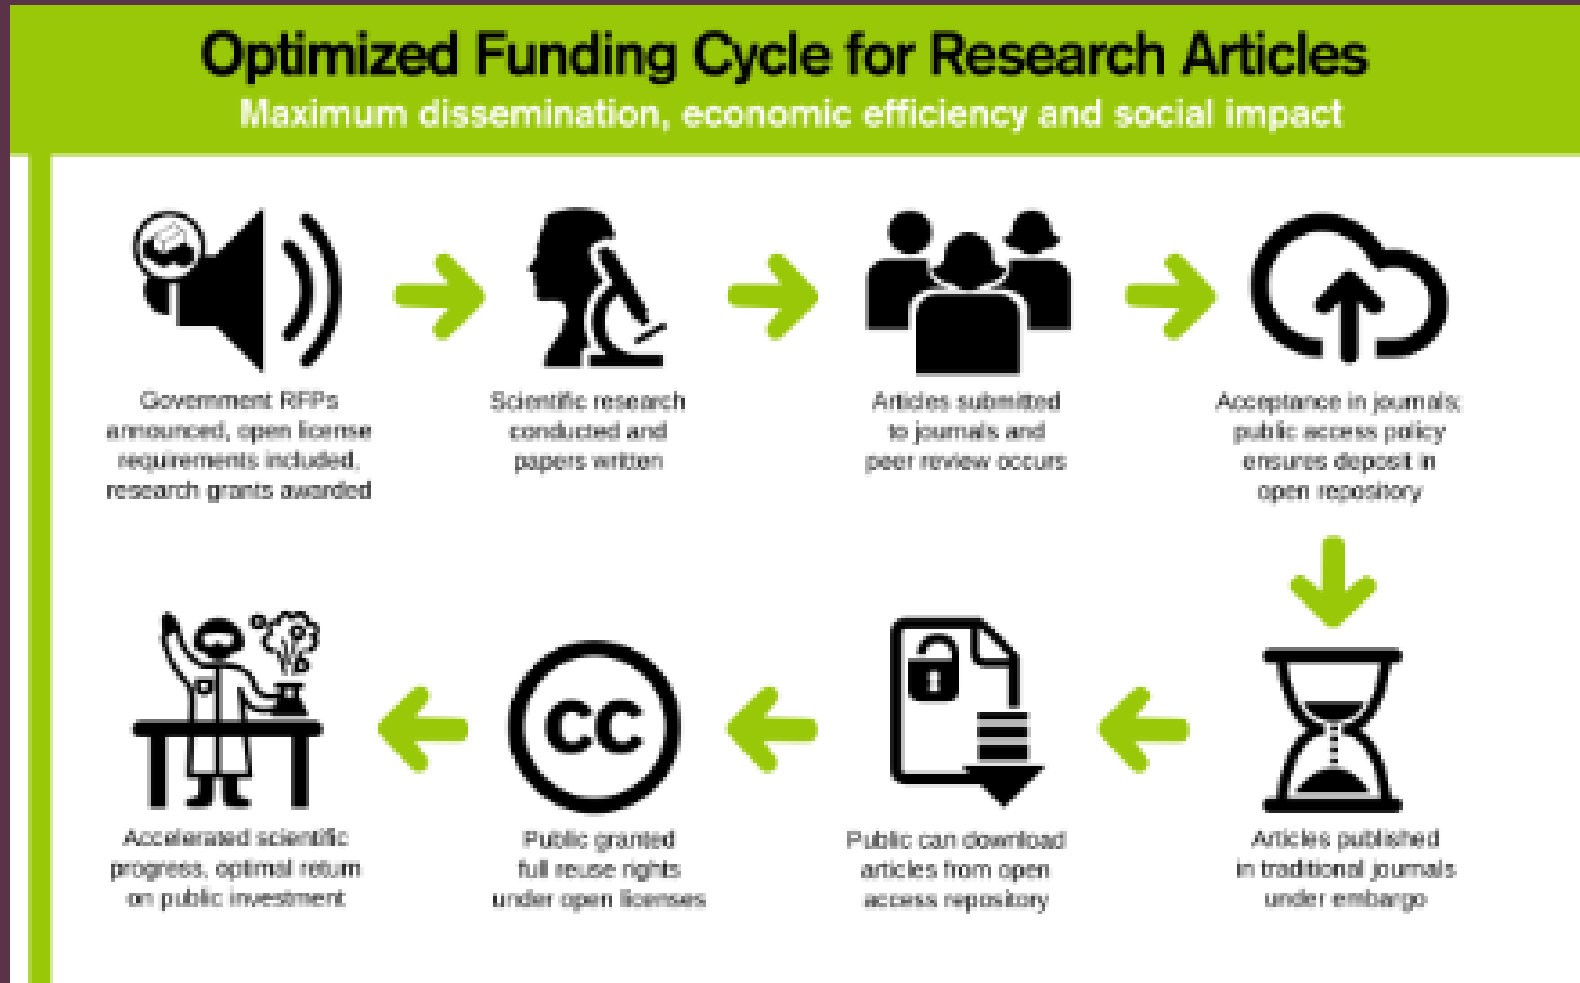

In contrast to the current publishing cycle ...

Current Funding Cycle for Research Articles

Limited dissemination, economic efficiency and social impact

Open Access offers an alternative that opens up scholarship.

Open Access

Is important because it makes scholarship more freely available to everyone, which drives progress and innovation.
