Critizes Pastor

As a Christian I have no right to judge anyone, but we can use God's word if we want the truth. In the Cleveland Press, Thursday, August 5, 1954, the Cleveland Police for trying to get the truth out of Dr. Sam Sheppard. I believe that they are paid for forgiving for doing what they are paid for, instead of trying to belittle them.

I believe that the authorities from Bay Village, who had preached the full gospel to Sam, he may not have gotten into the trouble he is in now.

The Wagc of Sin is Death, and it doesn't matter a Rev. to tell Christians that if you don't take a Rev. to tell Christians that if you don't go to a church or not. My Bible says it takes the blood of Christ to blot out our sins, so please stop referring others. Bay View Hospital has earned its place in the community, serving the public, unbiased, unprejudiced.

I salute The Cleveland Press for its splendid editorial.

I salute The Cleveland Press for its splendid editorial.
