THE ENVIRONMENTAL FINANCE CENTER NETWORK – A UNIQUE ASSET FOR THE NATION

The Environmental Finance Center Network is the only nationwide university-based organization that seeks innovative solutions to help manage the cost of environmental protection. Addressing difficult “how-to-pay” issues, the Network works with both the public and private sectors to promote a sustainable environment.

Core support for the Network is provided by EPA’s Environmental Finance Program in the Office of the Comptroller, OCFO. The Network is comprised of nine Environmental Finance Centers. Each affiliated with an EPA Region and located at the following universities.

Region 1 – University of Southern Maine

Region 2 – Syracuse University

Region 3 – University of Maryland

Region 4 – University of Louisville

Region 4 – University of North Carolina at Chapel Hill

Region 5 – Cleveland State University

Region 6 – New Mexico Tech

Region 9 – Dominican University of California

Region 10 – Boise State University
