The issues germane to law and health are often controversial and highly debatable. One mission of the *Journal* is to provide a forum for hearing such diverse views. The views expressed in the *Journal of Law and Health* are those of the authors of the articles and do not necessarily reflect the opinions of the officers, trustees, faculty, alumni, or students of the Cleveland State University or the College of Law. Contributing authors are expected to reveal personal, economic, or professional interests that may influence the views taken or advocated in their Articles. Each author impliedly represents that such disclosure has been made.
