Sick and Tired of The Press

This is just to let you know that I am sick and tired of your airing the marital troubles of one Marilyn Sheppard and one handsome osteopathic doctor husband.

I think it is about time something else was dug up by your noble reporters and given a little priority. I am unable to tell you just how many 7c subscribers feel exactly as I do. It's true it is an unfortunate and ghastly situation.

I certainly hope justice is done—but you have overdone this sordid story.
