**HUNTERS ON BLOOD TRAIL.** Crime lab detectives last night again prowled the death home at 28924 West Lake Road, Bay Village, with their scientific apparatus, looking for the minute blood clues left by the slayer of Marilyn Sheppard. Left to right: Jerome C. Poelking, holding the black light lamp; Elmer Roubal; Henry Dombrowski, with a camera and a bottle of distilled water; Lee Peters, holding a box of equipment, from which Bernard J. Conley is taking a bottle of fluid to be sprayed with an atomizer on suspected spots.
