DIRECT EXAMINATION OF BILL HALENKAMP

By Mr. Parrino:

Q State your name, Bill?

A Bill Halenkamp.

Q Just a little louder so that this last lady can hear you.

A Bill Halenkamp.

Q And where do you live?

A 454 Kenilworth, Bay Village.

Q How old are you?

A Eighteen.

Q You go to school, do you?

A Yes.

Q And what school do you go to?

A Bay High.

Q Now, Bill, I want to call your attention to July 4th.

Were you in the vicinity of the home of Dr. Sam Sheppard on that day?

A Yes.

- Q And about what time were you there that day for the first time, about?
- A About 10:00, 10:30.
- Q And what, if anything, did you do in and around the Sheppard home that day, in the morning, that is?
- A A few boys and I went into the lake searching, and then later we went into the brush looking for --
- Q I see. And when was it that you went into the lake searching, would you say?
- A About 10:30, in between 10:00 and 10:30.
- Q And later, you say, you went into the brush, is that correct?
- A Yes, sir.
- Q And what time of the day was that, about?
- A About a half an hour later, 45 minutes later.
- Q And what part of the brush did you search?
- A Well, we searched down the bank and back of Dr. Sam's house.
- Q Were there other boys with you?
- A Yes, sir.
- Q About how many boys were with you?
- A I would say 10 or 11.
- Q Now, I want to call your attention to the 5th of July, the next day. What, if anything, did you do that day?
- A Well, we went back up then. We were going to search --
- Q I didn't hear you.
- A We were going to search from Huntington Pier down to

Dr. Sam's house.

Q And did you go over to the point in and around Huntington pier?

A Yes.

Q And what were you doing there?

A Well, we were looking for anything, you know, like pipes or anything like that, they told us to look for. "Anything we found, well, bring in," they said.

Q And did you find anything at all there around Huntington pier?

A Well, no, not around the pier.

Q In that area, that is?

A Yes. About 15 yards up from the lake we found some sun glasses and things.

Q And what did you find?

A A pair of sun glasses and a white handkerchief.

Q Were you alone when you found those objects?

A No, sir.

Q Who was with you?

A Well, I'd say my friend, Mac Clark.

MR. MAHON: Speak up. It's

hard to hear you. You can't hear you back here.

A And there was some other boys around the vicinity, you know, looking around with us, but they weren't with me.

MR. PARRINO: Will you mark

these, please?

(State's Exhibits 58, being a pair of glasses, and 59, being a handkerchief, was marked for identification.)

Q Now, Bill, showing you what is marked for identification as State's Exhibit No. 58, will you look at those glasses, please, and tell the Court and jury if you recognize them?

A Yes, sir. Those are the ones we found.

Q Will you look at what is marked for identification as State's Exhibit No. 59? Will you look at that handkerchief, please, and tell us if you recognize that?

A Yes, sir. We found that, also.

THE COURT: 61?

MR. PARRINO: 59, sir.

Q Now, approximately how far was it from the Sheppard home did you find these glasses and handkerchief?

A Well, I'd say approximately 100 yards to 150 yards. About 150 yards.

MR. CORRIGAN: I can't hear him.

MR. GARMONE: 100 to 150 yards,

I think he said.

MR. PARRINO: Yes.

Q And in what direction?

A That was west of the Sheppard home.

Q Would that be toward town or away from town?

A Yes, that's toward Huntington Park.

Q That would be to the east.

MR. CORRIGAN: He said to the
west, didn't he?

MR. DANACEAU: Yes, but he said
toward Huntington Park.

MR. PARRINO: He is confused on
the directions.

THE WITNESS: Yes, I guess it's
east.

MR. GARMONE: All right.
Clarify it.

MR. PARRINO: That's what I am
trying to do, Fred.

MR. GARMONE: All right.

Q You got your directions straight?

A Yes.

Q The lake is the north and toward town the east, away from
town is the west, right?

A Yes.

Q Now, were these glasses to the east or to the west of the
Sheppard home?

A To the east.

Q And about 100 or 150 yards away, is that correct?

A Yes, sir.

- Q Now, where exactly was the point that you found the glasses and the handkerchief?
- A Well, I'd say about 15 or 20 yards from the shore, up in on the bank.
- Q Now, will you describe that area where you found the glasses please?
- A There is a path running up the side of the bank, and we had scythes, and everything, cutting the brush away, and we found these glasses and handkerchief about three or four feet in the brush.
- Q And would that be about three or four feet from the path, then, Bill?
- A Yes.
- Q And --
- A That was east of the path.
- Q And where does this path lead?
- A Well, it leads up the bank, and then it goes through a field and onto the road.
- Q Now, how far were the glasses found and the handkerchief found from the grounds of Huntington Park, about?
- A Well, about 10 yards, maybe.
- Q About 10 yards?
- A Yes.
- Q Now, what was the position of the glasses and the handkerchief when you first saw them?

- A Well, the glasses were face down with the hanky, I guess, laying right beside them.
- Q Would you show us how the two objects were, please? Can you do it here?
- A They were laying like this. The handkerchief was laying right beside it.
- Q They were laying right beside one another?
- A Yes.
- Q Were the glasses, the holders, here, open or closed when you found them?
- A I can't remember.
- Q You don't remember. Now, what did you do when you saw those glasses?
- A Well, I picked them up and I called the boys over and they came over and they said, "Well, you better take them" you know, "back to Dr. Sam's house." So I took them back.
- Q And you also picked up the handkerchief at the same time?
- A Yes, sir.
- Q And who did you give them there -- to whom did you give them?
- A I can't tell. I know it was an officer or something. He was in the house. I guess that's all who was allowed in the house. I gave them to someone in there.
- Q You gave them to what you thought to be a police officer?
- A Yes.

Q In the house?

A Yes.

Q When you say in the house, do you mean at Dr. Sam Sheppard's house?

A Yes.

MR. PARRINO: I want to offer
State's Exhibit 58 and 59 at this time.

MR. GARMONE: No objection.

THE COURT: They will be
received.

(State's Exhibits 58 and
59 were received in
evidence.)

MR. PARRINO: You may inquire.

Oh, one other question. I am sorry, Fred.

Q About what time of the day was it when you found these
glasses and this handkerchief?

A I would say about in between 2:00 and 2:30.

Q In the afternoon?

A Yes, sir.

MR. PARRINO: You may inquire.

CROSS-EXAMINATION OF BILL HALENKAMP

By Mr. Garmone:

Q Bill, you attend Bay Village High School, do you?

A Yes, sir.

Q Are you a senior?

A Yes, sir.

Q And how long have you lived in Bay Village?

A Well, six or seven years now.

Q And during that period you came to learn something about Dr. Sam Sheppard, did you not?

A Well, yes. We were real good friends.

Q Good friends. And he was always friendly to you?

A Oh, yes.

Q And he always was a friendly man anytime that you were in his company?

A Yes, sir.

Q You never saw him lose his temper, did you?

THE COURT: Wait a minute.

He is nodding and he is not answering your question.

A Yes.

THE COURT: You will have to answer because the reporter has to hear you, you see. All right.

Q During all those times that you were in Sam's company, you never saw him lose his temper, did you?

A No, sir.

Q And you never saw him mistreat Chip?

A No, sir.

Q You never saw him mistreat Marilyn?

A No, sir.

Q Are you one of the boys that occupied the upstairs rooms?

A Yes, sir.

Q That you used for a garage -- or a club room?

A Yes, sir.

Q Did you ski?

A No, sir. I wasn't very good at it.

Q Pardon?

A No, sir, I never tried it. I was kind of scared.

Q You never tried skiing?

A No.

Q Did you play basketball in and around Sam's drive?

A Yes, sir.

Q On occasion did Sam join you playing the game?

A Yes, sir.

Q Now, you identified these glasses as being the glasses that you found some 100 to 150 yards east of the Sheppard home, that would be toward Huntington Park?

A Yes, sir.

Q What were the conditions of the glasses when you found them, do you recall?

A You mean how they were laying?

Q Well, was there anything on these glasses then that is not on them now, to the best of your recollection?

A No, sir. They were just laying there that way.

Q Just the way they are?

MR. MAHON: Speak up, Bill.

We can't hear you back here. All these folks
have to hear you.

Q Did you place any mark on these glasses --

A No.

Q -- that will permit you to identify now that these are
the same glasses that you found on the morning of the 4th
of July, or the afternoon?

A No, sir.

Q What was the condition of the handkerchief when you found it?

A Well, it was wrinkled. I mean it was wrinkled laying right
beside the glasses.

Q Was it dry or wet?

A It was dry.

Q Did you put anything by the way of a mark on this hand-
kerchief that would identify it as the handkerchief that
you found on the afternoon of the 4th of July?

A No, sir, I didn't put anything on it, but I do remember
the stains that are on it.

Q Where are the stains?

A Right here and there and there. (Indicating).

Q No stains there.

MR. DANACEAU: Just a minute.

He pointed to stains and you said, "No stains there."

MR. GARMONE: I didn't say
"No stains."

MR. DANACEAU: I beg your pardon.
I thought you did. I apologize if you didn't.

MR. GARMONE: He said, "There
and there and there," and then I started to
say that he took --

MR. DANACEAU: I misunderstood
you. I'm sorry.

Q And then you took both the handkerchief and the glasses
back to the home of Dr. Sam Sheppard?

A Yes, sir.

Q And what room was the police officer in when you turned
over the glasses to him?

A The living room, sir.

Q And you don't know who the police officer was?

A No, I don't, sir.

Q That you turned the glasses over to?

A No, sir.

Q Did that police officer go back -- will you speak up so
that all the jury can hear you?

Did that police officer go back with you to the
spot where these two objects were found?

A No, sir.

Q Now, was that the first time that morning that you had been in the Sheppard home?

A Yes, sir.

Q And were you in that home any time after the occasion that you turned these glasses and handkerchief over?

A No, sir.

Q How long were you in there on that occasion?

A Oh, not over three minutes.

Q Three minutes. Have you seen these glasses from the time that you turned them over to the Police Department, and the handkerchief from the time you turned it over to the Police Department until today?

A No, sir.

Q So you don't know what, if anything, was done with either item, is that right?

A No, sir.

MR. GARMONE: That is all.

Thank you.

MR. PARRINO: That is all, Bill.

MR. CORRIGAN: Just one minute.

MR. GARMONE: Just a minute.

By Mr. Garmone:

Q Bill, when you returned to the Sheppard home at about 2:30 in the afternoon with State's Exhibits 58 and 59, you

walked right in, did you not?

A No, sir. We knocked.

Q You knocked?

A Yes.

Q And you were admitted?

A Yes, we were met there and I walked in there and gave it to the people.

Q Who were you met there by?

A I don't know, sir.

Q Was it Dr. Gerber?

A I couldn't tell you. I don't know.

Q Was he a member of the Bay Village Police Department?

A No, it wasn't.

Q He may have been a member of the Cleveland Police Department?

A Yes.

Q But you had no difficulty in going in after you had knocked on the door?

A No.

MR. GARMONE:

That is all.

Thank you.

MR. PARRINO:

That is all, Bill.

Thank you very much. You can go back to school now.

(Witness excused.)
